

How to Make a Sugar Scrub

Made with luxurious Meadowfoam Oil, hydrating Potassium Cocoate and gentle Jojoba Beads, this scrub leaves the hands and body feeling silky smooth. Winter Gardenia Fragrance Oil is added for a fresh, light floral scent. Don't forget the preservative, Optiphen! This protects the scrub from mold and bacteria growth.

Recipe:

- 1 Four Ounce Jar
- 6 tsp. Meadowfoam Oil
- 2 tsp. Potassium Cocoate
- 2 mL Optiphen
- 2 mL Fragrance Oil
- 3.5 ounces Granulated Sugar
- 2 tsp. Jojoba Beads

1. Place Meadowfoam Oil and Potassium Cocoate in jar and stir until well blended.

2. Add 2 mL optiphen and 2 mL Fragrance Oil. Stir well to thoroughly combine.

3. Add 2 tsp. of jojoba beads and the sugar into your jar. Carefully mix everything together.
